Achievements

Awarded Best Studio Project in 2023 by MTU Department of Architecture

2023/24 Interior Architecture Representative on the MTU Architecture Society Committee

Certified First Aid Responder

Full category B driver's license

Interests/Hobbies

I enjoy travelling with friends, most recently, I visited Barcelona for the first time.

I am a proud member of the MTU Architecture Society Committee. It has been a great opportunity for me to make new friends and work with the other members to organise various events.

About Me

I am a BSc Honours degree student, currently in my fourth and final year at Munster Technological University. I am a creative and dedicated designer with a keen attention to detail and strengths in conceptual development, design software, organisation and presentation skills. My goal is to use my learned skills from my college studies and industry, to further develop my experience.

Education
